Dear School Age Child Care Parent/Guardian:

Welcome to the Southtowns Family YMCA School Age Child Care Program. We thank you for choosing the Southtowns Y to serve your before and after school child care needs. Enclosed you will find the necessary information to finalize your child's registration in the SACC Program.

YMCA School Age Child Care Programs have been serving the needs of children and families for more than 25 years, providing a safe, positive environment for children during non-school hours. We offer outdoor activity, quiet time for homework, reading, sports, games, special events, themes, and creative arts activities through a standardized curriculum.

Please be sure to complete all forms and turn them into the Southtowns Family YMCA. All paperwork is due upon registration, as well as a **\$30.00 registration deposit per program per child** that will be applied to your September tuition payment. Please note: **Your child will not be permitted to attend our program until all forms are in and complete and your registration deposit is submitted.**

The following items are enclosed in this packet:
